Re: EXPRESSION OF INTEREST: ENDORSEMENT LETTER

Dear Sir/Madam

This letter serves to confirm that Ugu Local House of Traditional Leaders will be able to support the above entity that has expressed an interest in conducting the work placement and mentorship that will enhance skills development within the Traditional Leadership Institution (Traditional Councils) under Ugu District Municipality within the media sector especially in the (radio/television) industry.

The workplace experience and mentorship will be provided for learners in the following learnerships:

- Film and Television Production NQF Level 5
- Radio Productions NQF Level 5

The company has the capacity to accommodate approximately 60 learners.

Learners will be exposed with relevant skills and experience that respond to the needs of their qualifications as well as the market. Sunrise Emandleni is led by Nothando Deryl Shoji-Malanga (Miss) who brings extensive expertise in different areas of film, radio and television fields. Sunrise Emandleni specialises in Film and Television Production or Radio Production. They have expressed the need to assist our young people in this area thereby contributing to rural development which Ugu Local House of Traditional Affairs views as a common goal we all wish to contribute and deliver towards.

We are excited to act as a support structure for this skills development intervention initiative where unemployed learners could be equipped with necessary skills that will change their lives for better and change the media landscape in our country.

Yours faithfully,

Ms BPN Dlodla
Deputy Director
Ugu Local House of Traditional Leaders
